The Oregon Cascades West Council of Governments' (OCWCOG) Budget Committee Meeting was called to order by Chair Commissioner Claire Hall on June 25, 2020 at 8:32 am via Zoom Video and Audio Conferencing, at which time everyone formally introduced themselves.

**1. Public Comment**

Commissioner Hall opened the floor for public comments. No comments.

**2. Minutes of Previous Meeting**

Chair Commissioner Hall asked if there were any additions or corrections to the May 21, 2020 Budget Committee Meeting Minutes and if not, entertained a motion for approval. Commissioner Pat Malone moved to approve; Mayor Biff Traber seconded. A vote was taken and passed unanimously.

**3. Discussion regarding FY 2019-2020 Supplemental Budget**

Finance Director Sue Forty gave an update regarding the Supplemental budget due to COVID-19 related additional revenues and expenditures not appropriated in the 2019-2020 Budget.

Finance Director Forty described some of the events which lead to the need of a Supplemental Budget for FY 2019 - 2020. Part of it was due to the FEMA and CARES Act, so Finance could appropriate where the monies were spent, such as a 10% pay increase over current salaries for essential workers for individuals deemed necessary to physically work on-site. A building modification is taking place as well, with some items being included.

There was a reduction in Donations and Grants for the Meals on Wheels (MOW) Program due to the inability to secure funding due to COVID-19 and other situations beyond anyone's control. Those funds have been made up in other ways in the Programs such as Title 19.

Finance Director Forty said the Senior and Disability Services (SDS) programs have experienced fluctuations in MOW funding and have not received as much in grant funding as usual. Fortunately, they've had other changes to revenue to supplement the loss in those other areas;

specifically in federal meals funding. With Title 19, they will be doing supplemental budget to capture a lot of revenue due to *Covid-19* which isn't reflected in this supplemental budget. They did have increases in funding with Title 19 from the last legislative session. In addition, some of the largest changes are because of eligibility transformation contracts that came from the State to support the roll out of that program in the near future. In integrated eligibility, all programs will be managing benefits like Supplemental Nutrition Assistance Program (SNAP), medical benefits on a statewide basis. That funding will provide more training, and add a change leader.

Mayor Jim Lepin asked Finance Director Forty what the timeframe for this budget is and she stated that it ends on June 30, 2020. She will be doing a supplemental for FY 20-21 later in the year to capture revenue on grants that have not yet been received which will be reflected in the Supplemental Budget.

Commissioner Malone motioned to approve the FY 2019-2020 Supplemental Budget and Mayor Jim Lepin seconded. Chair Commissioner Hall called for a vote and it passed unanimously. Motion approved.

**4. Other Business**

Finance Director Forty said she would have the Supplemental Budget prepared as an agenda item for the OCWCOG Board of Directors meetings on September 17, 2020 to review, approve, and adopt.

**5. Adjournment**

Chair Commissioner Hall adjourned the meeting at 8:42 am.

## MEMORANDUM

**DATE:** September 17, 2020  
**TO:** OCWCOG Board of Directors and Budget Committee  
**FROM:** Finance Director, Sue Forty  
**RE:** **Fiscal Year 2020-2021 Supplemental Budget**

---

After the budget was adopted on May 21, 2020, Oregon Cascades West Council of Governments (OCWCOG) became the recipient of additional funds to enhance service in one program. Additionally, two Director level positions were restructured within the agency, creating cost savings and reallocation of resources:

- The reduction of a Director level position in all Community Services Programs (CSP) allowed for some cost savings in staffing in both Community Services and Senior & Disability Services Programs (SDS).
- The reduction of the Deputy Director position allowed all indirect costs to the programs to go down. This position was replaced with the Technical Services and Operations Director (TSOD). The cost of the TSOD is being offset by the contract we have in place with the City of Waldport.
- The changes to the CED budget reflect both an expansion of work, as well as a multi-year program alignment in the transportation section. As our current planning work expanded in coastal communities, we hired an additional planner to specifically focus on providing support in Lincoln County. Additionally the CARES Act included a provision for non-competitive economic recovery funds for the Cascades West Economic Development District (CWEDD). The bulk of that work plan includes hiring an Economic Recovery Officer so an additional placeholder for staff is included.

The remaining changes reflect the multi-year re-organization of the transportation section. Beginning in 2017, when Ali Bonakdar retired as the Executive Director of CAMPO, Phil Warnock began a staffing transition that would provide a Transportation Planner for both CAMPO and AAMPO, and then one overall Transportation Manager. With Nick Meltzer's promotion to Transportation Manager in 2020 and hiring of new AAMPO staff in July 2020, this transition is now fully complete. Both MPOs have equivalent staffing level and are under the guidance of one overall manager.

The budget also reflects the addition of grant funds related to the Seamless Transit Project, 99W, and other associated annual grants from the Oregon Department of Transportation. As part of the Seamless Transit project we hired a limited duration staff person, that addition is included.

Moving forward, we do not expect drastic changes to the budget in Fiscal Year 2021. The realignment described above also sets the CED Department up well for developing a Fiscal Year 2022 budget, as there should only be incremental changes.
