CASCADES WEST ECONOMIC DEVELOPMENT DISTRICT

COG provides the administrative staffing for the federally-designated Cascades West Economic Development District (CWEDD), which encompasses the counties of Linn, Benton, Lincoln, and Lane. We partner with Lane Council of Governments (LCOG) to provide economic development planning and priority-setting for this region. **For the first time in 10 years, the CWEDD held a regional economic meeting, hosted and facilitated by our COG staff.** This milestone meeting brought together the two councils of governments and many regional stakeholders and partners in economic development. It also kicked-off the update to our regional 2025-2030 Comprehensive Economic Development Strategy (CEDS) plan. A major achievement for COG and region that will impact our regional communities and economies for years to come!
